EXPLANATIONS RELATIVE TO THE FOLLOWING TABLE OF COLONIAL AND FOREIGN POSTAGE.

ABBREVIATIONS.

Alt.	Alternate.	M. & E.....	Morning & Evening.
Ea.	Each.	Mo.	Month.
Fri.	Friday.	Pkt.	Packet.
M.	Morning.	Prev.	Previous.
A.	Afternoon.	Fol.	Following.
E.	Evening.	Sat. ex.	Saturday excepted.
Ev.	Every.	Tues.	Tuesday.
A. & E.	Afternoon & Evening.	Mon.	Monday.

LETTERS WEIGHING MORE THAN ONE OUNCE.

To ascertain the postage of any heavy Foreign or Colonial letter, first subtract from the weight of the letter all the complete ounces above one, and then having found from the table the postage for the remaining weight, add to that postage the sum in column **D** for *each additional ounce*. *E.g.*, to find the postage on a letter for Australia, via Marseilles, between $4\frac{1}{4}$ and $4\frac{1}{2}$ ounces in weight—For a letter above $1\frac{1}{4}$ and not exceeding $1\frac{1}{2}$ ounce, 3s. 4d.; for three complete ounces in addition, at 1s. 8d. per ounce, 5s.; total postage, 8s. 4d.

Note.—It will not do to multiply the postage in column **D** by the *full* number of ounces and add the charge for the remaining fraction, as in some cases the rate advances after the first ounce by the ounce scale, and in others by the half or quarter ounce scale.

OPTIONAL OR COMPULSORY PREPAYMENT.

When a letter, addressed to go by a route that requires prepayment is posted unpaid, and there is some other route where prepayment is not required, it is forwarded by that route; but if there be none, it is sent to the Returned Letter Office, to be sent back to the writer.

DISTANCE TO WHICH THE POSTAGE CARRIES THE LETTER, &c.

The letter *a* prefixed to any division shows that the postage there entered does not carry the letter from the place where it is posted in the United Kingdom entirely free to its place of destination, but that it is liable to an *additional* charge upon delivery.

TURKEY.

Letters for such places in *Turkey* and *Asia Minor* as have no Austrian Post Office, should be addressed to the care of an agent residing in the nearest port at which an Austrian Post Office has been established. For Austrian Post Offices in Turkey, see *British Postal Guide*.

It is recommended that any letters for *Erzeroum* and other parts of the interior of Armenia, or for Persia, be addressed to the care of some agent in Samsoun or Trebizond, to be forwarded to their destination.

POSTAGE STAMPS, &c.

Prepayment of Inland Letters, &c., must be by Stamps.

RATES OF POSTAGE, &c.

*Inland Letters.**

1. The rate of postage to be prepaid is 1d. for every $\frac{1}{2}$ oz. or fraction of half an oz.

2. As a general rule, the postage, if not paid in advance, is double the foregoing; and if the payment in advance be insufficient, double the deficiency is charged. An inland letter, for example, weighing more than half an ounce, and not exceeding one ounce, if bearing a penny stamp only, is on delivery, charged twopence. On redirected letters, however, the charge for redirection is the same, whether prepaid or collected on delivery.

Colonial and Foreign Letters.

3. The rates of postage on letters to foreign countries and the colonies are entered in the Table of Colonial and Foreign Postage.

Addresses to the Queen and Petitions to Parliament.

4. Petitions and addresses to Her Majesty, forwarded direct, are exempt from postage; and such petitions and addresses, as also petitions to either House of Parliament, if sent to a member of either House, are likewise exempt, provided they do not weigh more than two pounds, and are without covers, or in covers open at the sides. No letter or other inclosure, however, must be inserted, and if one be found, such inclosure, unless it bear the proper number of postage stamps, will be charged as an unpaid letter.

Newspapers and other Periodicals bearing the Newspaper Stamp.

5. Although provision is made for forwarding newspapers, books, and money through the post, it is not compulsory on any one to employ this mode of transmission, the exclusive privilege of the Post Office extending only to letters.

6. All periodical publications, including newspapers, published in the United Kingdom at intervals not exceeding thirty-one days, and which bear an impressed stamp or stamps denoting the stamp duty (of the kind formerly confined chiefly to newspapers), may be sent and resent through the post within the United Kingdom free of postage, under the following regulations, viz:—

§ 1. Such publications are subject to the same restrictions as to the number of sheets and superficial extent as were formerly applicable only to newspapers

properly so called. These restrictions are shown in the following table:—

Amount of Stamps impressed on the Publication.	Maximum Number of Sheets.	Maximum Superficial extent of Letter- press on one side.
One Penny, - -	* Two - - -	2295 inches.
Three Halfpence,	† Three - - -	3443 “
Twopence, - - -	‡ Three - - -	4590 “

* One of them being a supplement. † Two of them being supplements. ‡ Two of them being supplements.

§ 2. No publication, or portion thereof, can pass through the post unless the impressed stamp which it bears be a stamp of the value at least of one penny.

§ 3. The title and date of the publication must be printed at the top of every page.

§ 4. The publication must be folded in such a manner that the whole of the stamp or stamps, denoting the full duty, shall be exposed to view, and be distinctly visible on the outside, except that where there are more than two publications in the same cover it is considered sufficient if the stamps be so arranged that they can readily be examined. If this rule be infringed, a postage of one penny will be charged in addition to any other postage to which the publication, if properly folded, would be liable.

§ 5. It must not be printed on pasteboard or cardboard, or on two or more thicknesses of paper pasted together, nor must any pasteboard, cardboard, or such pasted paper be sent with it as a back or cover thereto, or otherwise.

§ 6. It must be posted within *fifteen days* from the printed date of issue.

§ 7. It must have either a cover open at the ends, or no cover, otherwise it will be charged as an unpaid letter.

§ 8. It must contain no inclosure; if it do, the inclosure will be taken out and charged as an unpaid letter, together with an additional rate of one penny.

§ 9. It must have no writing or other mark thereon, but the name and address of the person to whom it is sent, nor anything on the cover but such name and address, the printed title of the publication, and the printed name and address of the publisher or vendor who sends it. Thus, if a newspaper, franked by a newspaper stamp, after having had the address of one person written upon the paper itself, be sent to another person, the first address must be cut off (obliteration not being sufficient). For any breach of this rule an additional postage of twopence will be charged.

§ 10. If the publication be addressed to any person within the free delivery of the place where it is posted, it becomes liable to a postage of one penny, which must be prepaid by affixing a postage stamp; if this be not done an additional postage of twopence is charged.

§ 11. If the 1st, 2nd, 3rd, 5th, or 6th regulations be infringed, the publication will be charged as an unpaid book-packet with the double book postage.

§ 12. It is suggested that every publication should have a notice to purchasers conspicuously printed, pointing out the necessity of exposing the stamp or stamps to view whenever the publication is sent through the post.

* Inland letters are those which pass between places in the United Kingdom, including the Isle of Man, the Orkney, Shetland, Scilly, and Channel Islands. If the weight be exceeded to the smallest extent, even though the balance be merely turned, the letter becomes liable to a higher postage. The same rule applies to letters going abroad. To provide, therefore, for errors in scales, &c., it is well to allow a little margin, or to pay the postage of the next greater weight.

§ 13. Stamped publications can be also forwarded under the regulations of the Book Post; but when so sent the impressed stamp does not count as any part of the postage.

7. The Colonial and Foreign newspaper rates are set forth in the Table of Colonial and Foreign postage, and are applicable only to such publications as have been registered at the General Post Office for transmission abroad. These publications are subject to the restrictions contained in the 3rd, 5th, 6th, 7th, 8th, and 9th of the foregoing regulations. The postage must be prepaid in postage labels.* An impressed stamp on a newspaper addressed to a place abroad does not count as any part of the postage. The publications sent abroad under these arrangements are newspapers, magazines, prices current, market reports, &c.; published at intervals not exceeding thirty-one days. When the privilege of transmission abroad is desired for a publication, the publisher should make application to the Secretary

* Newspapers posted unpaid are retained at the Returned Letter Office for one week; and then, if the postage still remain unpaid, are destroyed.

of the General Post Office, sending a copy of the publication. Unregistered periodicals, whether newspapers or other, cannot be sent abroad at any rates lower than those applicable to Books, &c.

8. *Newspapers for Russia.*—It is forbidden to introduce into Russia, through the post, political newspapers, in covers open at the ends or sides; and the only means by which persons residing in Russia can obtain newspapers from the United Kingdom is by subscribing for them at one of the Russian Post Offices. This prohibition does not, however, extend to political newspapers or any other publication addressed to members of the Royal Family of Russia, the Imperial Ministers, or members of the Diplomatic Corps. The admission into Russia of newspapers not of a political character, is permitted only in those cases where they are addressed to the house of some established bookseller, to the higher schools, to the Imperial Public Library, or to the Academy of Sciences in Russia. Printed prices current, however, as well as printed circulars, in covers open at the ends or sides, are allowed to be addressed to any persons residing in Russia.

printed. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter. Indeed, as respects the name and address of the sender, not only is the writing permitted, but recommended; so that if the cover come off, or for any other reason the packet cannot be forwarded, it may be returned.

§ 6. No book packet must exceed two feet in length, nor one foot in width or depth; and if any packet of greater dimensions be presented at a post office, it cannot be received.

§ 7. Any packet which is not open at the ends or sides, or has any letter or communication of the nature of a letter *written in it, or upon its cover*, is charged with the "unpaid" letter postage.

§ 8. If a packet be found to contain any letter not wholly printed, whether closed or open, or any inclosure sealed or otherwise closed against inspection, or any other unauthorized inclosure, the letter or inclosure is taken out and forwarded to the address on the packet, charged with the full postage as an unpaid letter, together with an additional rate; and the remainder of the packet, if duly prepaid with stamps, is then forwarded to its address.

§ 9. If a packet be not sufficiently prepaid with stamps, but nevertheless bear a stamp of the value of one rate, it is forwarded, charged with the deficient book postage, together with an additional rate; but any packet which bears no postage stamp is charged with double the book postage.

§ 10. In every case in which the postage chargeable under these regulations is greater than the letter rate, the latter postage is substituted.

§ 11. The main business of the Post Office being the transmission of letters, the forwarding of books and newspapers, though an important, is only a secondary object, for which no arrangement can be made which would interfere with the quick and regular conveyance and delivery of letters. Books, therefore, which would be injured by being thrust into a bag and hurriedly pressed down like a bundle of letters, should not be sent through the Post.

§ 12. To prevent obstacles to the regular transmission or delivery of letters, a Head-postmaster may, when necessary, keep back book-packets until the next despatch or delivery.

12. *Colonial and Foreign Book Posts.*—Except that the rates of postage are higher, books can be sent to all British colonies, and to other foreign places, on the same conditions as those of the Inland Book Post. For exceptional rates, and modification of rules affecting certain countries, the British Postal Guide, published quarterly, ought to be consulted.

13. *Inland Pattern and Sample Post.*—The following are the rules of the Inland Pattern and Sample Post:—

§ 1. Rates of Postage. The postage is 1d. for every $\frac{1}{4}$ lb. or fraction of a $\frac{1}{4}$ lb.

§ 2. The postage must be prepaid by means of postage stamps.

§ 3. No packet of patterns or samples must exceed 12 oz. in weight, nor two feet in length, by one foot in breadth or depth. Any packet exceeding these limits will be sent to the Returned Letter Office.

§ 4. There must be no writing or printing on the packet in addition to the address of the person for whom it is intended, except the address of the sender, a trade mark and numbers, and the prices of the articles; these particulars may be given on small

labels attached to the samples, or the bags containing them. If this rule be infringed the packet will be treated as a letter. For the future it will be permitted to inclose in a sample packet a printed or written description of the samples, but there must be no other inclosure. Any unauthorized inclosure will be taken out and forwarded to the address on the packet, charged with the full postage as an unpaid letter, together with an additional rate of a penny.

§ 6. The patterns or samples must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, &c., may be inclosed in boxes, or in bags of linen or other material fastened in such a manner that they may be readily opened; or in bags entirely closed, provided that they are transparent, so that the officers of the department may be able to satisfy themselves as to the nature of the contents. Non-compliance with this rule will subject the packet to be treated as a letter.

§ 7. If a packet of patterns or samples be posted altogether unpaid, it will be charged with double the postage which should have been prepaid. If a portion of the postage be prepaid, the packet will be charged with the amount of the deficiency, together with an additional rate of twopence.

§ 9. The rule which forbids the transmission through the Post of any article which might injure the contents of the mail bags, or the officers of the Post Office, is so far relaxed as to permit the transmission of scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, and such like, as samples, provided that they be packed and guarded in so secure a manner as to afford complete protection to the contents of the mail bags and the officers of the Post Office, while at the same time the samples may be easily examined. If any packet containing such articles as these be posted which is found not to be sufficiently guarded, it will be stopped, and a notice of its detention will be sent to the person to whom it is addressed, or to the sender, who may then obtain it on personal application, *but the packet will be charged with a fine equal in amount to the postage to which it was liable as a packet of patterns.*

§ 10. In every case in which the postage chargeable under these regulations is greater than the letter rate, the latter postage is substituted.

14. *Colonial and Foreign Pattern and Sample Post.*—Patterns and samples can be sent, at the rates inserted in the Table of Colonial and Foreign Postage, to such colonies and foreign countries as are marked in that Table with the letter "P." The conditions in these cases are for the most part the same as in the case of the Inland Pattern and Sample Post, the following being the only important exceptions:—

1. The limit of 12 oz. in weight and two feet by one in dimensions is not applicable to patterns sent to the Colonies or to Foreign parts.

§ 2. A packet of patterns or samples sent to France, Portugal, Madeira, the Azores, or Cape de Verdes, or to Turkey, Syria, or Egypt, by French packet, must not exceed 18 inches in length, width, or depth; a packet to any other place abroad must not exceed 24 inches in length, or 12 inches in breadth or depth.

§ 3. A packet of patterns or samples sent to Germany or Belgium, or any country via Belgium, or via Austria, must not exceed 8 ozs. in weight;

and the weight of a packet for Portugal, Madeira, the Azores, or Cape de Verds, is limited to 1 lb.

§ 4. Samples of intrinsic value must not be sent to foreign countries, except the United States; and in the case of France, samples of eider down, raw or thread silk, woollen or goats' hair thread, vanilla, saffron, carmine, or isinglass are considered to fall under this rule if they weigh more than 3 ounces.

§ 5. None of the articles named in § 9, above, may be sent as patterns or samples to any place abroad except the United States of America, Germany, Belgium, Holland, Denmark, Sweden, Norway, Turkey, Moldavia, Wallachia, Portugal, Madeira, the Azores, Cape de Verds, Switzerland, and the British colonies, and not to these places when addressed "via France." Indigo cannot be sent to any place abroad.

§ 6. Bags entirely closed, even though they be transparent, must not be used for the transmission of seeds to any foreign country, except the United States of America, Holland, and its possessions, Belgium, Denmark, Greece, Portugal and its possessions, and Austria via France.

POSTAGE STAMPS.

15. *Postage Stamps must be kept for sale.*—Every Head-postmaster is required to have on hand a sufficient stock of postage labels to be sold to the public at the following rates:—

1 "	"	-	-	0s. $1\frac{1}{4}$ d.

16. *Stamps.*—Prepayment of inland letters, &c., must be by labels or embossed stamps. British postage stamps are not available, as a general rule, for the payment of letters, &c., coming into this country.

17. By using embossed envelopes all risk of the stamp being detached may be avoided; but when labels are used, they should be examined to see that they firmly adhere, since if they fall off, the letters, &c., will be charged with postage, which, in the case of inland letters, is double the prepaid rate; while, as respects many letters addressed to many places abroad, the transmission will be altogether stopped. The labels should be placed on the front of the letter, and upon the right hand corner of the upper side. On re-directed letters, however, care should be taken not to place fresh stamps over the stamps which had been previously used. Receipt or Inland Revenue stamps cannot be used in place of postage stamps;

nor can postage stamps which have been torn, cut, or otherwise rendered imperfect, be used.

18. *Postage Stamps purchased from the Public.*—All postmasters in the United Kingdom at whose offices Money Order business is transacted are permitted, though not compelled, to purchase postage stamps from the public, provided the stamps be not soiled or otherwise damaged, at a charge of $2\frac{1}{2}$ per cent.; the charge, however, never being less than one halfpenny. Under this arrangement the payments are as follows:—

s.	d.		s.	d.
1	7½	for stamps of the value of	1	8
3	3	"	3	4
4	10½	"	5	0
6	6	"	6	8
9	9	"	10	0

and so on. No separate stamps can be purchased; they must in all cases be presented in strips containing at least two stamps adhering to each other.

REGISTRATION.

19. By the prepayment of a fee of fourpence, any letter, newspaper, book, or other packet, may be registered to any place in the United Kingdom or the British Colonies. Registered letters must be prepaid as regards both postage and registration fee; in the case of inland letters, such prepayment must be by stamps, but in the case of foreign letters it may be either in money or in stamps.

20. The registration of a packet makes its transmission much more secure, and the loss of a registered packet is a very rare occurrence. Nevertheless, by Act of Parliament, the Post Office is not responsible for the safe delivery of registered packets, though any officer who may neglect his duty on this point will be called to strict account. Sent in *unregistered* letters, valuable articles are exposed to risk, and offer a temptation which ought not to be created, and the department cannot in any way undertake the safe conveyance of such packets. All inland or colonial letters, therefore, which unquestionably contain coin, even though they be posted without registration, are treated as *registered*, and charged on delivery with a double registration fee of *eightpence*, in addition to the ordinary postage, and any such letters which cannot be registered in time to be forwarded by the mail for which they are posted are detained for the next despatch.

21. Every letter to be registered should be presented at the window, and a receipt obtained for it, and on no account be dropped into the letter-box. If, contrary to this rule, a letter marked "Registered" be dropped into the letter-box, it will, *if directed to any place in the United Kingdom or the British Colonies*, be liable to a registration fee of eightpence, instead of the ordinary fee of fourpence. A registered letter, if reposted as an ordinary letter with the word "*Registered*" unerased or erased in pencil only, will also be liable to a registration fee of *eightpence*.

22. *Time of Posting.*—The time for posting registered letters at Glasgow is half an hour before the closing of the mail by which they are to be despatched. For a *late fee* of 4d. they are taken until the expiration of that half hour.

23. No Letter Carrier, Rural Messenger, or other servant of the Post Office is allowed to carry a letter for any person to be registered.

24. *Registration of Letters addressed to Foreign Countries.*—The fee chargeable for registering a letter, in addition to the ordinary postage, *both of which must be prepaid*, will be found against each country or place in the table of Colonial and Foreign postage. Letters, newspapers, books, and patterns, may be registered to any place in the British colonies, the United States of America, Italy, Switzerland (via Belgium), or the German States, also (when sent in closed mails) to the British Post Offices in Egypt and Constantinople; but to other Foreign Countries only letters and packets prepaid at the letter rates can be registered. To some countries there is no arrangement whatever for registration.

25. Where the prefix "in" is made use of in the column of fees in the table of Colonial and Foreign Postage, the letter can be registered only to the port of arrival; it being left in those cases to the postal authorities of the country to which that port belongs to continue the registration if they think proper. Where the word "none" appears, no registration can be effected.

26. *France and Countries through France.*—The registration fee upon letters addressed to France, or countries through France (exclusive of those sent in the closed mails to India, Hong-Kong, Ceylon, Mauritius, Australia, Gibraltar, via France, Malta, Constantinople, Austria, Portugal, Spain, or Italy, except the Papal States), is not a fixed sum, but is in all cases equal to the postage.

27. Letters for passengers on board the Cunard and Inman Packets for America, touching at Queens-town, may be posted in any part of the United Kingdom up to the time at which ordinary registered letters for America are received, provided they be prepaid and registered, and addressed to the *care of the Commander of the Packet*.

28. Letters for passengers on board the Mediterranean Packets, sailing from Southampton with the mails for India, Australia, China, &c., or on board the Canadian Packets, touching at Londonderry, may under similar conditions be posted up to the same time as ordinary registered letters for India, Australia, &c., or for Canada. These must be addressed to the care of the officer in charge of the mail.

29. The letters should be addressed thus, "Mr _____, on board the mail packet at Queenstown (Londonderry or Southampton), care of the commander of the packet," or "care of the officer in charge of the mail," as the case may be.

Letters addressed to the care of the packet agent at Suez, and despatched by the mail via Marseilles, which follows the mail via Southampton, will probably reach passengers for India, &c., who have sailed in the packet from Southampton.

Letters by Private Ships.—Letters intended to be sent by private ship must be addressed "By private ship;" and if by a particular vessel, the name of the ship and port of departure must be added.

30. *Parliamentary Notices.*—Parliamentary notices may be forwarded through the post under the following regulations.—

§ 1. The words "Parliamentary notice" must be legibly printed on the face of the letter; and in order to secure the speedy return of any notices which may be undelivered, the name and address of the solicitor issuing such parliamentary notice should also be legibly printed or written on the face of the letter, though this is not imperative.

§ 2. These notices must be posted either at the General Post Office, St. Martin's-le-Grand, in London; the General Post Office in Dublin; the General Post Office in Edinburgh; or at the chief office at one or other of the following towns:—

Aberdeen,	Inverness,
Athlone,	Leeds,
Belfast,	Lincoln,
Birmingham,	Liverpool,
Bristol,	Manchester,
Cork,	Newcastle-upon-Tyne,
Exeter,	Norwich,
Glasgow,	Shrewsbury.

§ 3. All notices which, by the standing orders of either House of Parliament, are required to be served on or before the 15th December, must be posted not later than the 12th December, unless the 12th fall on a Sunday, when they must be posted not later than the 11th; but those notices which, by the same orders, may be served after the 15th, may be posted after the 12th of that month.

§ 4. The postage chargeable on these notices and the registration fee of sixpence on each must be prepaid by stamps.

§ 5. The notices must be posted at the Post Office window, accompanied with duplicate lists of the addresses; the notices being arranged for the convenience of comparison in the order of the list. These lists will be examined by the officer in attendance at the window, and if they correspond with the addresses, he will sign and stamp every sheet of each list. One of the duplicate lists will then be returned to the person who brought the letters, and the other forwarded to the Secretary, General Post Office, London.

31. *Time for Posting Parliamentary Notices.*—The hours for receiving such notices are the same as those for the registry of ordinary letters, unless they be presented at such a time as to interfere with the other duties of the office, in which case the Postmaster may appoint any other time within the next twenty-four hours for receiving the same; provided that, when the notices are to be served on or before the 15th December, such arrangement do not delay the posting beyond the 12th. Re-directed parliamentary notices are liable to an additional rate of postage, like letters.

32. The senders of parliamentary notices should, if possible, arrange on the previous day with the Postmaster as to the most convenient time for posting them, and state the probable number.

33. Notices relating to votes for members of Parliament belonging to any of the classes enumerated in the Acts 6 Vict. c. 18, and 13 and 14 Vict. c. 69, can also be sent through the post (with the securities for their safe delivery enjoined by the Acts), on prepayment in stamps of the postage, whether inland or foreign, as the case may be, and of a registration fee of twopence, provided they be presented duly directed, open, and in duplicate, to the Postmaster of an office which is also a Money Order Office. On receiving the notices, the Postmaster will compare each with its duplicate, and if the two agree, the latter will be stamped and returned to the bearer. The production by the person who posted such notice of such stamped duplicate is evidence of the notice having been given to the person at the place mentioned, on the day on which such notice would in the ordinary course of post have been delivered there. The notices must be presented at least half an hour before the fixed time

for posting ordinary letters. They are liable to the usual charge for re-direction.

34. *Poll-Books*.—When a poll-book is presented by any returning officer to be forwarded by post, the Postmaster is required to give to such officer an acknowledgment thereof in writing, stating the time when he received it.

35. No registration fee is demanded for poll-books, and prepayment of the postage is optional, without regard to weight or size.

DELIVERY.

36. Letter Carriers and Rural Messengers are prohibited from distributing any letters, newspapers, &c., whether before beginning their rounds, whilst on their rounds, or after they have completed them, except such as have passed through a Post Office. Neither are they allowed to receive any payment beyond the postage for the delivery or collection of any letter or newspaper, nor to deviate from the route laid down for them. The prohibition, however, from receiving payment in addition to the postage does not extend to Christmas gratuities.

37. *Delivery at Window*.—No person living within the town free delivery, unless he rent a private box, can claim to have his letters at the office window.

38. In order to prevent the additional trouble which is sometimes caused by letters being directed to the Post Office, although for persons residing within the free delivery, but who have no private box, the officers of the Post Office are authorized, when such letters arrive, to refuse to deliver them at the window (even though initials may be substituted for the name), and to send them out by the Letter Carriers.

39. *Private Boxes*.—Any person can have a private box who is willing to pay the appointed fee, which is fixed at one guinea per annum to be paid in advance, and for a period of not less than a year.

MISCELLANEOUS REGULATIONS.

40. The Post Office is not responsible for any injury which books or other articles forwarded by post may sustain, and the public therefore should not employ the Post Office for the conveyance of anything likely to suffer injury, unless such thing be sufficiently protected; neither is it responsible for any loss or inconvenience which may arise from the mis-sending, mis-delivery, loss, &c., of a letter or any other postal packet.

Limit to Size of Letters, &c.—With the following exceptions, no inland or foreign letter, &c., can be forwarded by the post which is more than two feet in length, or one foot in breadth or depth. The exceptions are—

§ 1. Packets to or from any of the Government offices or departments, or public officers.

§ 2. Petitions or addresses to the Queen, whether directed to her Majesty, or forwarded to any member of either House of Parliament.

§ 3. Petitions to either House of Parliament, forwarded to any member of either House.

§ 4. Printed Parliamentary proceedings.

41. *Official Information*.—No information can be given respecting letters which pass through a Post Office* except to the persons to whom they are ad-

dressed; nor can the address of any private person be given, and in no other way is official information of a private character allowed to be made public.

42. *Letters† cannot be returned to Writers*.—Postmasters are not allowed to return any letter or other packet to the writer or sender, or to any one else, or to delay forwarding it to its destination according to the address, even though a request to such effect be written thereon.

43. Should a letter be forwarded under cover to any Postmaster, with a request that he will re-post it at his office, the letter, on being re-posted, will be endorsed with the words "posted at—", under cover to the postmaster of —."

44. *Re-directed Letters, &c.*—Every re-directed letter or other postal packet will be liable to an additional postage (at the prepaid rate).

45. A registered letter, when re-directed, is only liable to the same additional charge as an ordinary re-directed letter, and if re-posted, a second registration fee must be paid with it.

46. A Postmaster is not bound to re-direct letters for a person temporarily leaving his home, and not having a private bag or box, unless the house be left uninhabited, or the letters would be delayed in their transmission by being sent to the house to be re-directed there. In all cases of re-direction, a written authority duly signed by the person to whom the letters are addressed must be sent to the Postmaster.

47. *Sunday*.—During the time the office is open on Sunday (viz., from eight to nine in the morning), the public are allowed to prepay foreign and colonial letters, to purchase postage stamps, and to have letters registered; and all other duties are performed as usual, except Money Order and Savings Bank business, which, on that day, is wholly suspended.

Sacramental Fast Days.—On the Sacramental Fast Days there is one delivery by Letter Carriers, commencing at 8.10 a.m., and letters are delivered to Private Box holders and to strangers, as on Sundays, for one hour after the office is opened at 8.10 a.m. The Paid Letter Office is again opened for the sale of postage stamps and registration of letters, from 4 to 8 p.m.

48. Private box-holders have the option of applying for letters at the office while it is open for delivery on Sunday, or of abstaining from so doing as they may think proper; but no person can be permitted to engage a private box for Sunday only.

49. *Change and Bad Money*.—No Postmaster is bound to give change, or is authorized to demand change; and when money is paid at a Post Office, whether as change or otherwise, no question as to its right amount, goodness, or weight can be entertained after it has been removed from the counter.

50. *Postmasters not bound to Weigh Letters for Public*.—Except as regards foreign and colonial letters about to be prepaid in money, the officers of the Post Office are not bound to weigh any letters or other packets for the public, though they may do so if their duty be not thereby impeded.

51. *Forbidden Articles*.—The officers of the Post Office are instructed not to receive any letter, &c., which there is good reason to believe contains anything likely to injure the contents of the mail bag or are under Head-Offices; but at Receiving Offices letters are received only, not delivered.

† The term "Letters," &c., is meant to include everything sent by the post; whether letters, newspapers, books, or aught else.

* The term "Post Office" applies to all Post Offices, whether Head-Office, Sub-Office, or Receiving Office. A "Head-Office" is an Office subordinate only to a Metropolitan Office. Both Sub-Offices and Receiving-Offices

the person of any officer of the Post Office. If such a letter, &c., be posted in the letter-box, and discovered before its despatch, it is detained, and a report of the case made to the Secretary G.P.O. The following are examples of the articles referred to:—A glass bottle, or glass in any form; leeches, game, fish, meat, fruit, or vegetables; bladders or vessels containing liquids; gunpowder, lucifer matches, or anything which is explosive or combustible; razors, scissors, needles, knives, forks, or other sharp instruments insufficiently protected.

52. *Undelivered Letters.*—When the reason for the non-delivery of a letter, &c., is "Deceased," the letter is sent, as soon as practicable, to the Returned Letter Office, as are all letters intended for ships which have sailed before the arrival of such letters at the port of departure. When the reason is "Refused," the letter, if an inland one, is retained at the Post Office for one day only before being sent to the Returned Letter Office, unless the refusal be conditional, in which case the letter is kept for three days, as are all foreign or colonial letters when refused, and letters, whether inland or foreign, addressed to persons not known, or gone away. When the reason is "Not called for" (the letter being addressed to a Post Office), the packet is retained one month; except in the case of letters at seaports addressed to persons on board ships expected to arrive at such ports, which letters are kept three months.

53. *Penalties for sending letters otherwise than through the Post.*—By the Act 1st Victoria, cap. 36, sect. 2, any person conveying otherwise than by the Post a letter not exempted from the exclusive privilege of the Postmaster-General, incurs a penalty of £5 for every letter, and £100 for every week the practice is continued. The sender also incurs a penalty of £5 for every letter, with full costs of suit.

54. *Exceptions from exclusive privilege of Post Office in conveyance of Letters.*—The following are the exceptions granted by the Act 1st Victoria, cap. 33, from the exclusive privilege of the Post Office, in the conveyance of letters:—

§ 1. Letters sent by a private friend, so as such letters be delivered by such friend to the party to whom they shall be directed.

§ 2. Letters sent by a messenger on purpose, concerning the private affairs of the sender or receiver thereof; commissions or returns thereof, and affidavits and writs, process or proceedings or returns thereof, issuing out of a court of justice.

§ 3. Letters sent out of the United Kingdom by a private vessel (not being a packet boat).

§ 4. Letters of merchants, owners of vessels of merchandise, or of the cargo or loading therein, sent by such vessels of merchandise, or by any person employed by such owners for the carriage of such letters, according to their respective directions, and delivered to the respective persons to whom they shall be directed, without paying or receiving reward or profit for the same in anywise.

§ 5. Letters concerning goods or merchandise sent by common carriers, to be delivered with the goods which such letters concern, without hire or other advantage for receiving or delivering such letters.

§ 6. No person is authorized to make a collection of such excepted letters for the purpose of sending them in the manner above described.

50. The following persons are expressly forbidden to carry a letter, or to receive or collect or deliver a

letter, even though they shall not receive hire or reward for the same:—

§ 1. Common known carriers, their servants or agents, except a letter concerning goods in their carts or waggons, or on their pack-horses; and owners, drivers, or guards of stage-coaches.

§ 2. Owners, masters, or commanders of ships, vessels, steamboats, or boats called or being passage or packetboats, sailing or passing coastwise, or otherwise between places within Great Britain or Ireland, or between, to, or from ports within her Majesty's dominions or territories out of the United Kingdom, or their servants or agents, except in respect of letters of merchants, owners of ships, or goods on board.

§ 3. Passengers or other persons on board any such ships, vessels, steamboat, passage or packet boat.

§ 4. The owners of, or sailors or others on board a ship or boat passing on a river or navigable canal within the United Kingdom or other of her Majesty's dominions.

POSTAL TELEGRAPH REGULATIONS.

1. The charge for the transmission of an Inland Message—i.e., of a message going from one part of the United Kingdom to another part of the United Kingdom, is uniformly, and without regard to distance, 1s. for the first twenty words (exclusive of the address, for which no charge is made), and 3d. for each additional five words or part of five words.

2. The Message Forms are of two kinds, viz.: Forms having a 1s. stamp embossed thereon, and Forms having no such stamp thereon. Both kinds may be obtained at the Postal Telegraph Offices, and the *unstamped* forms may be obtained at the railway stations, from which the railway companies transmit messages on account of the Post Office.

3. The forms having the 1s. stamps embossed thereon may be had singly, price 1s., or in books of fifty forms, price £2 10.

4. Telegrams may be *repeated* at the request of the sender, should he desire to adopt this extra security against risk of error; the charge for repetition is *one-half* the ordinary tariff, fractions of 3d. being reckoned as 2d.

5. The cost of a reply may be prepaid by the sender of a telegram.

6. Telegrams may be re-directed from town to town at an extra charge of *one-half* the ordinary tariff, fractions of 3d. being reckoned as 2d.

7. Copies of a telegram directed to more than one firm or person in the same free delivery will be delivered separately at an additional charge of 3d. per copy.

8. The sums charged for the transmission of telegrams cover the costs of delivery by special foot messenger within the limit of one mile of the terminal Telegraphic Office, or within the limit of the town postal delivery of that office when it is a Head Office, and the town postal delivery extends more than a mile from it.

9. When the addressee does not reside within the above described limits, and the sender does not desire to incur the cost of special delivery, his Telegram will be delivered free of extra charge by the ordinary postal delivery next following on the arrival of the Telegram at the terminal Telegraphic Office.

10. If the sender desires to have his message delivered beyond the limits of the free delivery, the

charges are, by special foot messenger, 6d. per double mile, that is, a mile out and a mile back; by cab, fly, or horse express, 1s. per double mile.

11. Messages written on the proper forms may be enclosed in envelopes addressed "Telegraph Office," and deposited in wall or pillar boxes, or in the letter boxes of ordinary receiving offices, or sub post offices. Telegrams so deposited will be sent on to the nearest Postal Telegraph Office by the first ordinary postal collection from the letter-box in which they are deposited, and will be sent on by wire from that nearest Postal Telegraph Office as soon as possible after they reach it, and will be delivered to the addressee free of extra charge, provided the proper charge for the number of words contained in them, and for portage when they have to be delivered beyond the limits of the free delivery, have been prepaid by means of postage stamps affixed to the message forms.

12. Messages so deposited, but insufficiently prepaid, will also be sent on in like manner, the difference of charge being obtained from the addressee on delivery; but messages so deposited without any prepayment whatever will be placed in a cover, which will be directed to the addressee, and sent forward to him by post as an ordinary unpaid letter.

13. Messages written on the proper forms, and prepaid by means of postage stamps affixed to the forms, may be handed to rural post messengers, who are proceeding to Postal Telegraph Offices, for transmission therefrom.

14. Messages for the Continent, India, or America, will also be collected at and delivered from the Postal Telegraph Offices throughout the United Kingdom, at the rates and under the regulations hitherto charged and maintained by the Telegraph Companies engaged in the transmission and delivery of such messages.

15. Full information with respect to charges and regulations for the transmission of messages by telegraph may be obtained at all Postal Telegraph Offices.

MONEY ORDERS.

1. *Application Forms.*—The public are recommended, when applying for Money Orders, to use printed "Application Forms," which save time, and afford greater security than verbal messages against mistakes. These forms are supplied gratuitously at all Money Order Offices.

2. *Commission.*—The commission on inland Money Orders is as follows:—On sums not exceeding £2, threepence; above £2 and not exceeding £5, sixpence; above £5 and not exceeding £7, ninepence; above £7 and not exceeding £10, one shilling.

3. No order is allowed to contain a fractional part of a penny.

4. *Particulars Required.*—With the subjoined exceptions, no Money Order can be issued unless the applicant furnish, in full, the surname and at least the initial of one Christian name, both of the remitter (the person who sends the order) and the payee (the person to whom the money is to be paid), together with the remitter's address:—

§ 1. If the remitter or payee be a peer or a bishop, his ordinary title is sufficient; and the usual designation of a firm is sufficient, except in the case of a company trading under a title which does not consist of the persons composing it, as the "Carron Company."

§ 2. When the remitter notifies that the order is to be paid through a bank, it is left to his option to give or withhold the name of the payee.

5. When application is made for a Money Order payable in London, or at any other town where there is more than one Money Order Office, the remitter should say at which of such offices he wishes it to be paid, otherwise the order can be cashed at the Head Office alone.

6. *Orders cannot be Cancelled.*—An order once issued cannot be cancelled; and should repayment or transfer to a different office or alteration of name be required, the remitter must apply to the paying Postmaster according to the directions printed on the back of the order.

7. The holder of a Money Order is always at liberty to direct, by crossing it, that the order be paid through a bank, even though its payment was not originally so restricted; and when the order is thus crossed, the question put on the presentation of an ordinary Money Order is dispensed with.

8. Money Orders do not require a receipt stamp.

9. *Lapsed and Void Orders.*—Payment of an order, issued and payable in the United Kingdom, must be obtained before the end of the second calendar month after that in which it was issued (for instance, if issued in January it must be paid before the end of March), otherwise the order becomes lapsed, and a new order will be necessary, for which a second commission will be charged. The period for payment of orders issued in the United Kingdom and payable in any colony authorized to transact Money Order business, including Gibraltar and Malta, is six months, and orders granted at those places on the United Kingdom are also payable during six months after that in which they were issued. Any person presenting a lapsed order will be furnished with a copy of a printed notice headed "Lapsed Money Orders," containing directions how to proceed. If the order be not paid before the end of the twelfth calendar month after that in which it was issued (for instance, if issued in January and not paid before the end of next January), all claim to the money will be lost.

10. No application can be entertained for compensation for alleged injury from the non-payment of a Money Order at the expected time; and after once paying a Money Order, by whomsoever presented, the Office is not liable to any further claim.

11. Under no circumstances can payment of an order be demanded on the day of issue.

12. *Duplicate Orders, Transfers, Repayments, Alteration of Name, &c.*—In case of the miscarriage or loss of an inland Money Order, a duplicate is granted on a written application (with the necessary particulars, and inclosing the amount of a second commission, in postage stamps) to the Comptroller of the Metropolitan Money Order Office, of that part of the United Kingdom where the original order was issued; and if it be desired to stop payment of an inland order, a similar application, with a like inclosure of postage stamps, must be made to the Comptroller of the Metropolitan Money Order Office of that part of the United Kingdom where the order is payable. If alteration in the name of the payee or remitter of an inland Money Order should be required, application must be made by the remitter to the Postmaster of the office at which the order was issued, and a second commission must be paid.

Should transfer of payment of an inland order from one office to another in the United Kingdom, or re-payment of the amount of an order, be required, an application inclosing the order must be made to the Postmaster at whose office the order is payable, who will transmit in exchange a new order payable at the place desired, but for a less sum than the original order by the amount of the second commission charged for the reissue. Proper printed forms for making application in all these cases may be obtained at any Money Order Office, and full instructions on the subject will be found printed at the back of the Money Order. Whenever, on complaint being made, it is found that the necessity for an application, entailing the payment of a fresh commission, is attributable to the Post Office, the charge will be remitted to the applicant, and imposed on the officer in fault.

13. A Postmaster is required to give information how to apply for a duplicate order, &c., and must furnish the prescribed form of application. If payment of an order be refused in consequence of the replies to the questions respecting the remitter not corresponding with the entries in the advice, or of a difference in the name in the receipt, the applicant for payment shall communicate with the remitter, and request him to apply personally to the issuing Postmaster.

14. No letter-carrier or other servant of the Post Office is bound to procure a Money Order for any person, or to obtain payment for one; but such services are not forbidden.

COLONIES.

15. Money Orders are issued at all Money Order offices in the United Kingdom of Great Britain and Ireland, Belgium, and on Switzerland, at the rate of commission charged on Inland Money Orders; on Money Order Offices in Alexandria, Bahia, Buenos Ayres, Constantinople, Gibraltar, Hong Kong, Malta, Monte Video, Pernambuco, Rio Janeiro, Shanghai, Suez, and Yokohama, at a charge equal to three-fold the commission on Inland Money Orders; and on Money Order Offices in the subjoined list at a charge equal to four-fold such commission.

17. The renewal of a lapsed order, the issue of a duplicate order, or the stoppage of payment of an order issued by a Colony on the United Kingdom, will be made on application to the Comptroller of the Metropolitan Office of that portion of the United Kingdom in which such Colonial Order is payable, provided an additional British Inland Rate of Commission be inclosed with the application; except in the case of lapsed orders, when the additional commission will be deducted from the amount of the new order issued by the department; but the lapsed order must be transmitted with the application for its renewal. Postmasters in the United Kingdom have power to transfer to other offices in the United Kingdom payment of Colonial orders originally drawn on their own offices.

POST OFFICE SAVINGS BANKS.

18. *Hours of Business.*—Every Post Office Savings Bank, which is also a Money-Order Office, is open for bank business during the same hours as for Money Orders.

19. *Amount of Deposits.*—Deposits of any amount, not less than one shilling and not including any pence, are received at any Post-Office Savings Bank, provided those made by any separate depositor in any year ending on the 31st December do not increase the total amount of his deposits by more than £30, and provided such total amount, exclusive of interest, is never more than £150. When any depositor's principal and interest amount together to £200, no more interest will be allowed until this sum of £200 be lessened.

20. *Interest.*—Interest calculated yearly at the rate of £2 10s. per cent. per annum will be allowed on every complete pound deposited, reckoned from the first day of the calendar month next following the day on which a complete pound shall have been deposited or completed, up to the first day of the calendar month in which the moneys are withdrawn. The interest thus calculated will be at the rate of one halfpenny per calendar month for every complete pound. The interest will be reckoned to the 31st December in every year, and will then be added to the principal.

21. *Transfers of Deposits.*—A depositor in the Post Office Savings Bank may transfer his deposits to any other Savings Bank legally established; and on his written application, accompanied by his book, to the chief office of the Postmaster-General in a form to be obtained at any Post Office Savings Bank, he will be furnished with a certificate of the whole amount due to him, and his account with the Post Office Savings Bank will thereupon be closed. A depositor in any legally established Savings Bank may transfer his account to the Post Office Savings Bank, and may require from the trustees or managers of such bank a certificate, stating the amount due to him, and thereupon his account with such bank will be closed. The certificate may be delivered at any Post Office Savings Bank, and will be received as a deposit of the amount therein set forth, and on the certificate being forwarded to London, and verified by the National Debt Commissioners, an account for the amount thereof will be opened with the depositor, and an acknowledgment for the amount will be sent to him.

22. *Withdrawals of Deposits.*—Any depositor wishing to withdraw the whole or part of the sum deposited by him, must make application for the same to the General Post Office in London, in a form which may be obtained at any Post Office Savings Bank.

23. *Repayments.*—Repayments will be made only to the depositor in person, or to the bearer of an order under his hand, signed in the presence of either the minister of the parish in which the depositor resides, of a justice of the peace, or in case of sickness, of the medical attendant.

24. *Secrecy.*—The officers of the Postmaster-General engaged in the receipt or payment of deposits will not disclose the name of any depositor, nor the amount deposited or withdrawn by him, except to the Postmaster-General, or to such of his officers as may be appointed to assist in carrying out the provisions of the Post Office Savings Bank Acts.

GOVERNMENT INSURANCES AND ANNUITIES.

25. The Postmaster-General is empowered under the Act 27 and 28 Vict. cap. 43, to insure the lives of persons of either sex between the ages of 16 and 60, for not less than £20 or more than £100. He is also empowered under the same Act to grant immediate or deferred annuities of not more than £50 on the lives of persons of either sex, and of the age of 10 years and upwards.

The persons whose lives are insured or to whom annuities are granted by the Postmaster-General, have direct Government security for the payment of the money at the proper time.

The Post Office of Glasgow has been opened for the receipt of proposals for the insurance of lives, and the purchase of annuities; and forms of proposal, with full instructions for filling up and delivering these forms, as well as every other necessary information, may be obtained on application.

MAILS FOR THE SHETLAND ISLANDS.

The mails for the Shetland Islands are despatched from Aberdeen every Friday evening, arriving at Lerwick on Sunday morning; returning from Lerwick to Aberdeen every Monday at 6 and 10 p.m. alternately.

LIST OF POST TOWNS AND SUB-OFFICES IN SCOTLAND.

It must be understood that the hours for closing the Letter Box are liable to alterations in the course of the current year, and, therefore, the Tables exhibited on the Wall of the Post-Office ought to be occasionally consulted.

With some exceptions, all Head Offices are Money Order Offices. All Offices at which Money Order business is transacted, are marked thus, *m*.

When in the subjoined list one place only is mentioned, it is a Head Office, and when there are two, the first is a Sub-Office, and the second is the Head Office to which the first is subordinate. It sometimes happens that there is a Money Order Office nearer the Sub-Office than is the Head Office. In these cases such Money Order Office is added as a third name for the information of any persons who may wish to remit money to the neighbourhood.

The places marked thus, *t*, were opened as Postal Telegraph Offices on the 5th February, 1870, and the system is being extended as rapidly as circumstances permit.

In order to prevent, as much as possible, chimneys taking fire, the Magistrates recommend to the inhabitants to get their chimneys swept every six weeks, and not to employ or admit to their houses, or to the roof thereof, any chimney-sweeper not having a badge, or who refuses to produce the same when demanded. The Magistrates also recommend to the inhabitants to keep the hatchway, or other access to the roof of their houses, properly secured, and not to intrust the key to any chimney-sweeper who has not a badge, in order to prevent theft and destruction to property.

VOLUNTEER CORPS.

Persons insured with this Company are at liberty to serve in any Volunteer Corps, within the United Kingdom, without prejudice to their Policies.

"DAYS OF GRACE."

By the condition of the Company's Policies, *invariably acted upon for upwards of Sixty Years*, the period for Payment of Premiums is not only extended to the "days of grace," without forfeiture of the Policies, but the sums insured are recoverable, the same as if the claim had arisen at any time previously.

LIFE DEPARTMENT.

The rates of Premium have been adjusted in accordance with a long experience, and bear equitably on all ages.

The Accumulated Premiums are over £1,650,000; and a statement showing how these are invested can be had.

The sum of over £4,900,000 has been paid during the existence of the Office for Claims under Life Policies, of which amount a very considerable part was for Bonuses.

FIRE DEPARTMENT.

This Company undertakes the Assurance of almost every species of Property in the United Kingdom, at rates of Premium and upon principles which will be found quite as advantageous to the interests of the Assured as those offered by any other. The Directors can confidently refer to the well-known character of the Company for liberality and promptitude in the discharge of claims made upon it during the many years it has been established.

Mills, Manufactories, Distilleries, Warehouses, Stores, Ships Building, Ships in Harbour, Houses, Furniture, Stock-in-trade, &c., assured for the year, or any shorter period.

The Policies of this Company cover losses occasioned by the explosion of Gas. Losses occasioned by Lightning will also be paid.

THE ASSOCIATION has never taken over the business of any other Company by amalgamation or purchase. It has no Agencies abroad. It transacts Life Business only, unconnected with risks of any other description. Exclusive of its large Subscribed Capital, the Accumulated Funds are amply sufficient to meet all its obligations—the amount of the LIFE ASSURANCE FUND being equal to SEVENTY PER CENT. of the whole Premiums received in connection with the SUBSISTING POLICIES. It values its Net Premiums only—the whole “Loading” being strictly reserved for future Expenses and Profits.

NEW BUSINESS of 1869:—NEW POLICIES issued, 582. SUMS ASSURED thereby, £477,360. NEW PREMIUMS received, £15,483.

BONUS YEAR, 1870.

POLICIES OPENED DURING 1870 WILL PARTICIPATE IN THE FIFTH DIVISION OF PROFITS, WHICH WILL TAKE PLACE AS AT CHRISTMAS NEXT. NINE-TENTHS (90 PER CENT.) OF THE PROFITS ARE DIVIDED AMONG THE ASSURED EVERY FIVE YEARS.

NON-FORFEITURE POLICIES.

THE PREMIUMS on these POLICIES are limited to FIVE, TEN, FIFTEEN, or TWENTY Yearly Payments, and they secure EQUIVALENT AMOUNTS of ASSURANCE *without risk of forfeiture*.

LOANS are granted on LIFE INTERESTS, REVERSIONS, or other approved SECURITY.

THIS SOCIETY differs in its principles from any other Office. Instead of charging rates admittedly higher than are necessary, and afterwards returning the excess, or a portion of it, in the shape of periodical Bonuses, it gives from the first as large an assurance as the Premiums will with safety bear—reserving the Whole Surplus for those Members who have lived long enough to secure the common fund from loss on account of their individual Assurances.

A Policy of £1200 to £1250 may thus at most ages be had from the first for the Premium elsewhere charged to assure £1000 only; while the effect of *reserving* the surplus has been, that Policies originally for £1000, which have shared at the three septennial Investigations, have already been increased to £1400, £1600, and even in some cases to £1800.

ITS TERMS are therefore well calculated to meet the requirements of intending Assurers. They are specially adapted to the case of Provisions under Family Settlements or otherwise, where it is important to secure, for the smallest present outlay, a competent provision, of definite amount, in the case of early death.

It has taken a leading part in the Removal of RESTRICTIONS and GROUNDS OF CHALLENGE. The Rule was adopted in 1849 that error in the original statements did not involve forfeiture unless “fraudulent as well as untrue.”

Foreign Residence and Travel.—Members (not seafaring men) are free to reside in any part of the World to the north of 35° N.—excluding Asia—and to the south of 30° S. Licences for places beyond the free limits are given on favourable terms; and when an extra is charged it has the advantage, according to the equitable principle of the Office, of bringing the Assured sooner to share in Profits.

Examples of Annual Premium for Assurance of £100 at Death (with Profits).

PAYABLE DURING LIFE.	£1 18 0	2 1 6	2 6 10	2 14 9	3 5 9	4 1 7
LIMITED TO 21 YEARS.	£2 12 6	2 15 4	3 0 2	3 7 5	3 17 6	4 12 1

Thus a person of 30 may secure £1000 at death, with Profits, for a yearly premium of £20 15s., which in the other Scottish Mutual Offices would assure £800 only.

Or, if unwilling to burden himself with payments during the whole of life, he may secure a Policy for £1000 (with Profits) for a Premium of £27 13s. 4d., *limited to twenty-one payments*, being nearly the same as most Offices require during the whole of life.

THE RATES TO CEASE AFTER 7, 14, OR OTHER NUMBER OF YEARS MAY BE HAD.

FINANCIAL POSITION AS SHOWN BY STATISTICS.

By the recent publication of the “Insurance Register” (Kent & Co., London), the Directors were enabled to give an analysis of facts, showing from authentic sources the high position which the Institution occupies among the Assurance Offices of the kingdom, not merely in extent of business, but even more markedly in the growth of its resources.

The New Business of 1869 was £581,036, in 1190 Policies. Subsisting Assurances, Six Million Eight Hundred Thousand. Annual Revenue, £260,000. Accumulated Fund arising entirely from Premiums, above £1,650,000.

CAPITAL, One Million Six Hundred Thousand Pounds. PAID-UP AND INVESTED, £700,000,In addition to a Large Reserve Fund, *affording the most Unquestionable Security*—an important consideration to Insurers.

THE financial position of the Office meets the great *desideratum* in Insurance transactions, undoubted *stability*; and the promptitude and liberality with which all losses have been settled during the many years it has transacted business has formed the foundation of the prestige and high position now enjoyed by this old wealthy Company.

INSURERS, in effecting Policies, receive for their expenditure not any tangible commodity, as in a purchase of goods, but *merely a promise to pay* in the case of fire happening, hence the necessity of Paid-up Capital as a security that the obligation will be fulfilled.

PERFECT SECURITY is afforded to Insurers with this Office, by the substantial guarantee of a large Paid-up and Invested Capital and Reserve Fund.

TRUE ECONOMY is to insure for the full value.

COUNTY FIRE OFFICE,

50 REGENT STREET, AND 14 CORNHILL, LONDON.

The COUNTY FIRE OFFICE was Established in the year 1806, upon the principle that the interests of its Policy-holders and its own should be identical. A system of strict economy and caution has enabled the Directors to return to their Policy-holders a considerable portion of the Premiums found to be in excess of the risks. These returns, which originally varied with the profits of the year, are now fixed at the rate of 25 per cent. They are paid out of a fund specially provided for the purpose, and take precedence of the Dividends to the Shareholders. The Insured are exempt from all personal liability.

The following Table contains the Names of some of the Policy-holders who have participated in these Returns:—

LIFE DEPARTMENT.

THE Arrangements of this Office are based on principles that have been verified by experience.

The Rates for Assurance of fixed sums are very moderate.

Extra Premiums for Foreign Residence have been dispensed with to a great extent, and a very important rule has been adopted to protect the interests of parties holding Policies on the Lives of others, who may incur extra risks without the knowledge of the holders.

For surrender of Policies of the ordinary class, after three years' endurance, a liberal return of Premiums, according to a fixed rule, is *guaranteed*, besides the value of vested Bonuses where such have been declared.

According to the constitution of the Company, Investigations must be made at intervals not exceeding five years.

IN returning thanks for past favours, desires to intimate, that he has lately fitted up additional Sugar-Grinding Machinery, rendering that branch of his establishment more improved and extensive; and thereby affording greater facilities to Confectioners, Biscuit Manufacturers, and the Trade in general, of having their sugar ground in a manner suitable to their various requirements; while due attention is being observed towards those other branches for Coffee Roasting, and the Grinding of Coffee, Spices, Drugs, Drysalteries, &c., so that Grocers, Druggists, Dyers, and others, shall have advantage of every improvement that may be suggested.

GLASGOW, Macpherson Street, May, 1868.

THE COFFEE PLANT, "*Coffea Arabica*" of Linnaeus, is an evergreen, and, as may be inferred from its scientific name, is a native of Arabia. It produces a pulpy berry about the size of a small cherry, inclosing two seeds, which, separated from their pulpy envelope, form the well known Coffee beans of commerce. It may be remarked as a singular fact, in reference to Coffee, that while all of the vegetable kingdom that have been taken under the care of man have been improved, it alone asserts its independence; for, although cultivation may greatly enlarge the crop, it as certainly at the same time deteriorates the flavour, and the produce of the wild plant still maintains the highest figure in the market. It is well known that Coffee would be of no real value were it not properly roasted—a process which, as it requires much skill, is only to be acquired by experience. How man became acquainted with the fact that the tasteless seeds of a berry, when roasted, ground, and infused, would form a grateful beverage, will most probably remain a secret to the end of time. That the development of its useful properties depends wholly upon the roasting, is evident. About two hundred years ago Coffee was first introduced into England, since which its consumption has steadily increased, and deservedly so, when its medical properties are considered, it having been found useful in headaches arising from a particular state of the stomach, and much benefit having been derived from its exhibition in cases of asthma.

A French scientific gentleman, who has directed his attention to this subject, says:—"I have found that Coffee is better roasted, and more of the aroma retained, when a double cylinder is used—the air between the interior and exterior cylinders acting as a non-conductor of heat. It is done more uniformly, while the essential oil on which the aroma depends is less liable to be dispersed than when exposed to the fierce heat of a fire in a single cylinder."

In the double rotatory globular method of roasting as practised at Mr. MINTO'S Works, Macpherson Street, Glasgow, the above principle is acted upon, inasmuch as the globe (which has superseded the cylinder since the application of steam-power to this branch) revolves in a medium of heated air, which, experience has shown, best prevents the dispersion of the essential oil, or aroma.

GLASGOW,

(First Door above North British Railway Station.)

HAS Patented a New Metal which is superior to Gold—being purer, quite as strong, five times lighter, absolutely tasteless, does not tarnish, and adhesion—perfect. Previous to the introduction of this New Metal for dental purposes, all others were, and are, objectionable. Vulcanite is thick in the mouth, and exceedingly liable to break; Silver gets quite black, and irritates the gums, making the breath very disagreeable; even Gold, when alloyed, has a decided taste. All these objections are obviated with the New Metal, which Mr. WALLACE guarantees; also, he upholds the Teeth for one year.

P.S.—Mr. W. being Sole Patentee of the above Metal, no other Dentist is allowed to use it.

LIFE.

The Life Tables are framed upon as moderate rates as are consistent with perfect security. Assurances may be effected either with or without participation in Profits; the Investigation being made Quinquennially.

Participation Policy-holders are entitled to a Share in the Profits to the extent of Nine-Tenths, or Ninety Per Cent., both of the Participation and Non-Participation Branches.

LIFE ASSOCIATION OF SCOTLAND.

FOUNDED THIRTY YEARS AGO.

Annual Income, £ - - - £246,000 Sterling.
Reserved Funds, - - - £1,300,000 “

The permanence of the Institution, with the utmost Advantage and Protection to the Policy-Holders, has been the constant aim of the Directors.

INVESTMENTS of a high class only have been chosen for the Funds. All Transactions involving speculation or responsibility have been avoided. Losses have thus been unknown, and the Reserve Funds have undergone a continuous and uninterrupted increase.

THE ACTUARIAL VALUATIONS have always been made on the strictest and most approved principles; no portion whatever of the margin for contingencies, expenses, or profit having been brought into account. The result has invariably proved the Funds to be more than sufficient for the Liabilities.

The last ANNUAL REPORT contains full particulars of the Association's transactions and position, with details of the RESERVED FUNDS, amounting to ONE MILLION AND A QUARTER STERLING.

BESIDES the FUNDS RESERVED from Premiums, AND THE ANNUAL INCOME, the Policy-holders have the further protection of a Guarantee Fund or Subscribed Capital of FOUR HUNDRED THOUSAND POUNDS.

THE CONDITIONS of the Policies are unusually favourable as regards Indisputability—Non-forfeiture—Occupation—Residence, &c.; and in one Class there are almost no Conditions or Restrictions.

PROTECTIVE REGULATIONS.

THE POLICY-HOLDER'S CONVENIENCE is met in as far as possible by arrangements for POSTPONING the Payment of Premiums—LOANS to the extent of the Value of the Policy—REDUCTION of Assurance and Premium to a smaller amount, &c.

THE NON-FORFEITABLE PREMIUM System (introduced into this Country by the Association) is specially designed to protect the Policy-holder from loss if he should, from any cause, discontinue his premium payments.

IN SURRENDERING the whole or a portion of his Assurance, the Policy-holder of more than two years' standing is allowed an ample Value in cash, or in a paid-up Policy.

BONUSES FROM PROFITS.

IN CLASS A. the Profits are allocated in such a manner as to occasion, at an early stage of the Policy, a considerable Reduction of the Policy-holder's payments.

IN CLASS B. the Profits are reserved and accumulated for those Policy-holders who attain the average period of life of persons of their age. The Bonuses being thus unusually large, are available as a considerable Provision for the Policy-holder's old age—the Sum Assured remaining untouched.

Life Annuities may be purchased on favourable terms from the Association.

Annual Income.....£73,227 0 0

THE Directors have from the commencement adopted the plan of yearly ascertaining the value of the Society's assets and liabilities. The result has been furnished to the Members, in detail, so that any person competent to judge of such matters has been able to comprehend readily the financial position of the Society. The invested assets have been vouched for by those responsible for the correctness of their statements, and proofs of the various items have been furnished to the Auditors.

The Society's Profits belong exclusively to the Assured, and are divided every five years. At last division, in 1868, the sum of £30,000, less the usual reserve, was distributed among the members.

The Society's Policies are virtually indisputable. No policy will be voided by unintentional misstatement in the proposal and declaration.

Undoubted Security is afforded by an accumulated premium fund in excess of the Society's requirements.

Copies of the last Annual Report, Detailed Statement, and Prospectus, may be had on application.

years and months which each Policy had been in force. I have made computations to cheque the accuracy of the results, and I have further examined and approve of the application of the Mathematical formulæ, by which the values of the different classes of Assurances have been estimated.

The values of the Guarantee Policies have been obtained by the same methods as the original Assurances, so as to reduce to their proper estimate the Reserves for the Actual risks in force.

Assuming therefore that the Investments are first class, and have been so selected as to be able always to realise the Amount at which they stood on 31st December, 1868, the surplus of £26,609, ascertained on the principles above explained, to exist in the Life Fund on 31st December, 1868, indicates a state of soundness and prosperity, with every probability of its continuing hereafter.

I have the honour to be, Gentlemen,
Your very obedient Servant,

THE QUEEN INSURANCE COMPANY (*continued*).

IT HAS BEEN WELL REMARKED, that intending Assurers ought to satisfy themselves thoroughly in regard to a Company's real and available resources, before committing themselves to so serious a thing as a Life Contract with it.

The following facts will enable Policy-holders and the Public to judge for themselves as to the sound and secure position of the Queen Insurance Company, and the Directors feel that in giving the fullest publicity to its affairs they are taking a course calculated to increase the confidence and support which the Company has already extensively enjoyed.

The Life Accumulation Fund, close of Quinquennium, 31st Dec., 1868, stood at £110,153 While the Actuarial Investigation, based upon a 3 per cent. net Premium valuation, shewed the sum of 88,545

to be sufficient to cover all the Life engagements of the Company; but the Directors, for their further satisfaction and that of the Policy-holders, requested SAMUEL BROWN, Esq., President of the Institute of Actuaries, to examine into and Certify the Investigation that had been made by the Company's own Actuary, and it is gratifying to the Directors to be able to place in the hands of the Policy-holders the annexed very satisfactory Report by Mr Brown.

A record of the Valuations, in detail, is kept at the Chief Office for reference, which may be inspected when desired by any Policy-holder or Shareholder.

To render the present Statement more complete, the Directors add the following information in regard to the Funds and Securities of the Company.

The Authorised Capital is	£2,000,000
The Capital actually Subscribed	1,798,000
The Paid-up Capital	179,800
The Fire Reserve Fund	80,000

The Funds of the Company after making provision for all Outstanding, Adjusted, or Unadjusted Claims and Accounts, at the close of the Year, were £385,894

£123,670 of the above sum was invested in the real Property of the Company.

£105,620 Advanced on Landed Securities and Real Estate, subject to from 3 to 6 months' notice.

£45,195 Invested in Securities sanctioned by Acts of Parliament, viz.: in the Bonds of Local Boards and Corporations, of the Mersey Docks and Harbour Board, and of the London and North-Western Railway Company.

£34,206 in United States Government Bonds, Interest and Principal payable in Gold.

£20,905 in Canadian Government Bonds and Stock.

£7,720 Advanced on the values of the Company's Life Policies.

£3,256 on Personal Security in connection with Life Policies.

£11,239 on Mortgages, &c., of Reversions.

Cash at Bankers, £23,000.

The Amount immediately available to meet claims is much beyond what any experience has shown to be necessary.

Finally--

The Books and Accounts are and always have been subjected to a continuous audit, in detail, by a public auditor appointed by the Shareholders.
